- 5.4. IT personnel responsibilities and skills assessment
- 5.5. Human resource cultural controls assessment

Chapter 6: IT STRATEGY AUDIT PROGRAMMES AND CHECKLISTS

- 6.1. IT business plan alignment
- 6.2. IT strategic management process
- 6.3. IT strategic plan

Chapter 7. IT SECURITY AUDIT PROGRAMMES AND CHECKLISTS

- 7.1. IT security intrusion response assessment
- 7.2. Information security procedures assessment
- 7.3. IT security programme assessment
- 7.4. IT security administration
- 7.5. Data sensitivity protection assessment

Chapter 8. SYSTEMS DEVELOPMENT AUDIT PROGRAMMES AND CHECKLISTS

- 8.1. IT project investment assessment
- 8.2. Systems development change controls assessment
- 8.3. IT project management assessment
- 8.4. Application software requirements assessment
- 8.5. Post-implementation review

Chapter 9 SYSTEMS SOFTWARE AUDIT PROGRAMMES AND CHECKLISTS

- 9.1. Systems software maintenance assessment
- 9.2. Systems software security assessment
- 9.3. Database controls assessment
- 9.4. Systems software back-up assessment

Chapter 10. DATA CENTRE OPERATION AUDIT PROGRAMMES AND CHECKLISTS

- 10.1. Physical access controls assessment
- 10.2. Hardware management controls assessment
- 10.3. Back-up and recovery procedures assessment
- 10.4. Health, safety and environmental controls assessment
- 10.5. IT disaster recovery plan assessment

Chapter 11: IT APPLICATIONS OPERATION AUDIT PROGRAMMES AND CHECKLISTS

- 11.1. Application systems protection controls assessment
- 11.2. Application data controls assessment
- 11.3. Application technical controls assessment
- 11.4. Application database controls assessment
- 11.5. Application system testing assessment
- 11.6. Website evaluation

Chapter 12: END-USER COMPUTING AUDIT PROGRAMMES AND CHECKLISTS

- 12.1. End-user area risk assessment
- 12.2. End-user computing policy
- 12.3. End-user security
- 12.4. End-user application development and operation
